**Saturday, April 27<sup>th</sup> is National Prescription Drug Take-Back Day.**

Do you have left-over, unused or expired medications at home?

Per the Drug Enforcement Agency, approximately 60,000 emergency room visits annually result from children under the age of 6 finding and ingesting medication.

Protect your pets, children or grandchildren from getting into medications that can harm them by safely disposing of them.

Although the APD Foothills will not be open on Saturday for National Prescription Drug Take-Back Day, you can come in throughout the year to safely dispose of medications at our substation.

***Did you know that you can safely dispose of medications at the Foothills Substation? Here are a few guidelines:***

- We cannot accept liquids, inhalers, syringes or chemicals.
- If medications are in blister packs or pill bottles, the pills or capsules need to be in ziplock plastic baggies.
- Our front office staff has baggies for drug disposal if you need one and are happy to assist you.

**We are open Mondays through Fridays from 8:00 a.m. to 5:00 p.m. Questions? Call (505) 332-5240.**

**Be safe! Jill Garcia, Crime Prevention Specialist / ICPS NCPS – APD, Foothills Area Command**
